

# Ph.D. Admissions 2025 Application Guide

## Register

Register Online here: <https://admissions.abudhabi.iitd.ac.in/application/caet-2024>

Carefully fill in all the necessary information, and click on Register. Once you register, you will be redirected to your Dashboard, where you can complete the application process.

Simultaneously, you will receive an email on your registered email address with your login credentials. These credentials can be used to log into your dashboard anytime from anywhere to check your Application Status, download Admit Card, view Notifications, and access Results.

## Complete your Application

Login to your Dashboard with the credentials shared with you on your registered email address.

Your Dashboard will look something like this:

The dashboard screenshot shows a user interface for the Ph.D. Admissions 2025 application process. It includes a search bar, a welcome message to Jyoti Kala, and a list of important instructions. The main section displays the application form progress, which is currently at Step 2 (Academic Information). The progress bar shows four steps: Step 1 (Personal Information), Step 2 (Academic Information), Step 3 (Upload Documents), and Step 4 (Preview and Submit). A sidebar on the left contains navigation links for Dashboard, My Profile, and Contact Us. On the right, there is a section for Ph.D. Admissions - 2025 with a download button for the Information Brochure and a list of key dates: Last Date of Application (December 31, 2024), Interview Date (January 03, 2025 to January 06, 2025), Declaration of Result (January 10, 2025), and Registration and Orientation (January 27, 2025).

Read the instructions carefully and complete your Ph.D. application in 4 steps.

### Step 1

- Complete your Personal Information.
- Specify if you are a Person of Determination.
- You can save the form and back again to complete it any time.

### Step 2

- Complete your Academic Information in Step 2
- Enter your highest qualifying degree. You can add additional educational degrees if you wish.
- Indicate whether you have appeared for GATE/GRE.
- Add your work experience in reverse chronological order.
- Add upto 3 Ph.D. projects you are interested in, in the order of your preference.
- Provide the SoP in the required format for the three projects who have chosen.

### Step 3

- In this step, upload all the necessary documents.
- Upload the copy of National ID
- Upload the required degree certificate and transcript

### Step 4

In this step, form will be loaded in preview mode. Please check and ensure that all the information you have entered is correct. At this stage, you can go back to the previous stage, and edit the information if it is incorrect. Click the Submit button to submit your application. Once submitted, you will not be allowed to edit the form. Subsequently you will receive an email on successful form submission.
